

COVID-19 COMMUNICATION

Dear customers and collaborators,

In these uncertain times, we wanted to reach out about what we are doing here at INDIBA to support you.

As the situation around Novel Coronavirus (COVID-19) continues to evolve, we are doing everything we can to ensure our business continuity and provide maximum flexibility to our clients.

Following the advice of the Health Authorities, and seeing the increase and risk of transmission of the Covid-19 virus, INDIBA S.A has decided to postpone all international travel, in order to protect the well-being of our clients and workers.

As an alternative, INDIBA will continue to host training sessions online and our trainers will continue to be available via phone and-or online.

For any questions regarding INDIBA training, you can contact our training department:
E: info@indiba.com, T: 0034 93 265 55 22.

Regards,
Clinical Training Team
